Subject: House briefing

Shawn - OCIR is providing a briefing on the chemical spill to the House IT committee as they requested on Tuesday at 11:00am. I am working with them to get responses to questions Rep. Rahall staff has already submitted (he's also holding a cong field hearing here in Charleston on Feb 10 he's gearing up for).

Ex. 5 - Deliberative

Ex. 5 - Deliberative

Thanks

Mark
